- Working backwards, decide whether you'd like to break down your goals into weekly, semiweekly (twice a week) or more frequent increments. Then enter the dates in the spaces provided. You may end up leaving some rows blank, or print extra copies of this tracking sheet if you need more room.
- Complete the GOAL columns based on the total Convention incentive goals you entered in step 1.
- Post this tracking sheet on your refrigerator (or other prominent place) so you can chart your progress on a regular basis using the ACTUAL columns. **See you in Orlando!**
